Listened to a speaker on Instagram Live

Learned how to cook Peruvian food

Made a greeting card for our medical volunteers

Learned a Peruvian dance

Submitted a question to a speaker

Reached out to @osstudpro about Serving Smiles

Learned a fun fact about Peru

Got even more excited for ISLC 2021!

TWO BIG WAYS YOU CAN BRING OPERATION SMILE'S GLOBAL SPIRIT OF SERVICE TO YOUR COMMUNITY (SAFELY!)

It just wouldn't be an International Student Leadership Conference (ISLC) if we didn't provide you with an opportunity to make a difference in the lives of others! Here are two service projects you can take on during our mini digital ISLC:

- **#SERVINGSMILES:** To support hometown health care workers and restaurateurs during the COVID-19 pandemic, students joined our [#ServingSmiles effort](#) and provided more than 4,300 meals to hospital staff across nine states in the U.S. as well as Panama and Paraguay. We encourage you to see if you can begin [#ServingSmiles](#) in your community! Connect with your [regional Student Programs associate](#) to see how you can get started. If you like, you can also consider [making a donation](#) to help us provide even more meals!
- **MAKING CARDS:** Operation Smile medical volunteers around the world are serving in their hospitals as their communities face COVID-19. Let's make them smile with a greeting card letting them know we're thinking of them during this challenging time. First, create a beautiful card with an encouraging message. Next, take a picture of your card. To ensure your card gets delivered, you can either post that picture on your Instagram story tagging @osstudpro, or you can email the picture to our content producer, Bethany.Bogacki@operationsmile.org.
