

GET YOUR CLUB TO START SMILING!

Inspired by the four pillars of Student Programs - leadership, service, advocacy and education - we challenge every Operation Smile club to complete these four steps to show their dedication to our cause!

1. LEADERSHIP: [Create & Maintain a Club Smile Fund](#)

Basically a crowdfunding platform for our organization, Smile Funds are easy, virtual ways for you to hold fundraisers for Operation Smile.

[Here are great virtual fundraiser ideas!](#)

2. SERVICE: [Complete a Service Project.](#)

From making blankets to rallying donations, your project will have a meaningful, direct impact on the lives of our patients and their families.

3. ADVOCACY: [Raise Awareness on Social Media](#)

Tell your followers all about Operation Smile, share your story and inspire them to get involved, too!

4. EDUCATION: Create and/or participate in an Operation Smile Virtual Event: holding a fundraiser and hosting a U-Lead, presentation, and speaker.
