

# MILES FOR SMILES

JOIN OUR RUNNING TEAM AND GO THE DISTANCE FOR OPERATION SMILE'S PATIENTS WORLDWIDE

## ABOUT MILES FOR SMILES

**WHAT:** Operation Smile and J&A Racing invite you to join our Miles for Smiles running team and help Operation Smile provide care for people born with cleft lip and cleft palate. Runners can race in the 8K, half or full marathon.

**WHO:** Everyone is welcome to join, including students, alumni and volunteers.

**WHEN:** Shamrock Marathon Weekend, from March 18-20, 2022. We'll host training runs leading up to race weekend – stay tuned!

**CONTACT:** Reach out to Pete Hansen at [pete.hansen@operationsmile.org](mailto:pete.hansen@operationsmile.org)

**SIGN UP:** <http://bit.ly/miles-for-smiles>

**FOR YOUR POT OF GOLD:** J&A Racing will refund the race fee for the first 20 people who raise \$1,000 for Operation Smile; to receive the refund, connect with Pete Hansen about your fundraising efforts.

The only thing more fulfilling than finishing a big race is knowing your run made a big difference in the lives of others – and we invite you to do just that as part of our Miles for Smiles running team!

In honor of Operation Smile's 40<sup>th</sup> anniversary, we want to rally 40 runners to race during J&A Racing's Shamrock Marathon Weekend and raise money for our patients' care.

As both Operation Smile and J&A Racing are celebrating big milestones in 2022, this is the year for a big goal.

Whether it's the 8K, half or full marathon, we hope that, through training for these races, we hope each runner can commit to raising \$1,000. Ultimately this would total of \$40,000 to cover surgeries for our patients with cleft lip and cleft palate in countries where we work.
